PROFESSIONAL FULL STACK DEVELOPER

Dedicated and detail-oriented Full Stack Developer with a proven track record of 2 years in the industry. Demonstrated expertise in front-end technologies, back-end development, and a commitment to delivering high-quality solutions. A collaborative team player with excellent communication skills and a passion for tackling challenges head-on.

KEY SKILLS:

- Front-End Development: Proficient in HTML5, CSS3, SASS, and responsive web design. Solid experience with JavaScript, React.js, Redux, Angular 13, and Ionic.
- Back-End Technologies: Familiarity with Node.JS, Express, and MongoDB, ensuring a holistic understanding of the development process.
- Version Control & Collaboration: GIT, GitHub, GitLab – adept at version control systems and collaborative platforms like YouTrack and Jira.
- Build Tools & Package Managers: Experienced with Webpack, Parcel, NPM, and Yarn for efficient project development.
- Design & Prototyping: Skilled in using Figma for design collaboration and prototyping.

PROFESSIONAL EXPERIENCE:

Front End Developer

Advantiss Ltd., Sumy, Ukraine

Feb 2022 - Oct 2022 (9 months)

- Spearheaded the revamping of existing projects, resolving bugs, and implementing new features using cutting-edge technologies such as React.JS, Redux, Angular 13, TypeScript, Bootstrap, Ionic, Tailwind, REST API, Firebase, and OAuth 2.0.
- Proficiently utilized task management tools Jira, YouTrack, and GitLab to streamline project workflows and track progress.
- Demonstrated adaptability by mastering Angular from scratch within one week, contributing significantly to project timelines.
- Successfully executed the OAuth 2.0 registration flow, showcasing a rapid learning curve and problem-solving skills.

Deputy Chief of Commercial Department

Fluitech Systems, Ltd., Sumy, Ukraine

April 2010 – November 2021 (11 Years)

- Orchestrated negotiations and executed contracts with European suppliers and Ukrainian business clients.

- Coordinated the importation of goods, managing customs documentation and overseeing delivery logistics.
- Conducted comprehensive market analyses, factoring in logistics, customs costs, and margin to determine product pricing.
- Facilitated business trips and effectively delegated tasks to team members.
- Contributed to team success by assisting colleagues with ongoing tasks and proactively searching for new customers.
- Maintained and strengthened relationships with existing clients to ensure continued satisfaction.
- Proficiently utilized software tools, including 1C CRM, MS Word, Excel, PowerPoint, Adobe Acrobat, Adobe Photoshop, and internet browsers.

Key Achievements:

- Achieved promotion to Deputy Chief of Commercial Department within three years of outstanding performance as a sales manager.
- Ensured stable sales by delivering timely and high-quality services to clients.
- Successfully expanded the company's client base, resulting in increased turnover and profitability.

EDUCATION:

GoIT, Fullstack Developer Courses, Kyiv, Ukraine

Apr 2021-Apr 2022 (1 year)

Mastered a comprehensive set of technologies including HTML5, CSS3, SASS, GIT, NPM, JS, React.JS, Node.JS, and MongoDB.

Proficient use of development tools such as VS Code, WebPack, Parcel, and Trello.

Applied Agile and SCRUM methodologies while assuming various roles within a team, including team leader, scrum master, and developer.

Collaborated on diverse projects encompassing adaptive layouts, APIs, and token-based authorization using both pure JS and React; utilized Node.JS and Express for server-side development.
